

2. Each tender should be superscribed as "Tender for carting Government timber from the coupes to the Depot, etc.," and the same should be accompanied by a deposit of Rs. 50 in currency notes in each case. The rate to be quoted should be per c.ft. of timber for carting to the Depot from the coupes.

3. The District Forest Officer will be at liberty to accept or reject the lowest or any tender without assigning any reason thereof. The deposit so tendered will be returned in the case of all unsuccessful tenderers.

4. Within fifteen days from the date of intimation of the fact of approval, the successful tenderer shall furnish a security of Rs. 100 each in the shape of Mysore Government Savings Bank Account duly pledged in favour of the District Forest Officer, Bhadravati Division, and execute an agreement on a duly stamped paper binding himself of observing the following conditions failing which the earnest money already furnished will be forfeited to Government and the contract cancelled.

(a) That he provides himself with sufficient number of labourers and carts for promptly carting timber that is available in the coupe.

(b) He or his agent will carry out all instructions that may be issued from time to time by the Sub-Assistant Conservator of Forests or the Depot Officer failing which his contract will be cancelled and the security deposit forfeited.

Abstract Notification, dated the 27th August 1932.

The attention of the public is invited to the notification of date calling for tenders *re* the sale of the M. F. P. of Chennagiri and Tarikere Taluks for 1932-34, published on pages 948-950, Part VI of the *Mysore Gazette*, dated 1st September 1932.

H. V. RANGASWAMIENGAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

MYSORE PUBLIC WORKS DEPARTMENT.

HEAD QUARTER RANGE, BANGALORE.

Abstract Notification dated 22nd August 1932.

The attention of the public is invited to the notification calling for tenders for "Constructing Parvathi Chandrasekhara Out-Patient Block attached to the New Maternity Hospital at Bangalore," published on pages 938 and 939 of Part VI of the *Mysore Gazette* dated 25th August 1932.

The last date for receiving tenders is 10th September 1932, (2 P.M.)

B. NARASIMHA IYENGAR,
Assistant Engineer.

NEW BANGALORE WATER WORKS DIVISION.

Notice, dated 1st September 1932.

Notice is hereby given that sealed tenders will be received up to 4 P.M., by the Executive Engineer, New Bangalore Water Works Division, up to 3rd October 1932, for the purchase of "Empty Cement Bags available in this Division" (the approximate quantity available being 10,000)

Each tender must be accompanied by a deposit of Rs. 25 in cash or currency notes and be superscribed "Tenders for the Purchase of Empty Cement Bags" in default of which tenders will be rejected.

The final acceptance of the tender will rest with the Executive Engineer who does not bind himself to accept any tender or to assign any reason whatsoever for the rejection of any tender.

Within eight days of the acceptance of the tender, the successful competitor will be required to deposit the full amount of the contract and arrange to remove the bags immediately in default of which his tender will be considered as cancelled, and his earnest money will be forfeited.

The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

On due fulfilment of the contract, the earnest money will be either refunded in cash or credit thereof will be given against the total purchase value payable by the contractor.

N. LAKSHMINARASIMHAIA,
Executive Engineer.

BANGALORE DIVISION.

Notification dated 1st-September 1932.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M., on 26th September 1932, for urgent repairs to Abbur ane and channels feeding Patlu Ramannanakere of Channapatna Taluk.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1933.

2. The plans, detailed estimates and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 250 (two hundred and fifty) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for urgent repairs to Abbur ane and channels feeding Patlu Ramannanakere of Channapatna Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Percentage rates above or below the estimate amount will not be accepted.

10. No claim for enhanced rates will be entertained on any account after acceptance of tenders.

11. The contractor will be dealt with in terms of the bond for any short progress or delay. In matters of all disputes about rates, measurements, quality of work, etc., and in all disputes of any kind, the decision, of the Chief Engineer will be final and legally binding on the contractors.

12. Rates should be quoted both in words and figures for each item of works and lumpsum provision are subject to modifications as per data worked out during execution. For individual items of work under lumpsum provisions, the rates tendered for similar items of works will be paid and for other items, the rates as per schedule of rates will be paid at the discretion of the Executive Engineer.

13. Rates for masonry include bond stones to the required percentage at the required intervals of the quality and size to be specified.
